

# ÉCOSALUBRITÉ 2016

Tuesday, September 27

Place Forzani, Laval

**SAVE THE DATE!**

*Presented by the Quebec chapter of CSSA and its collaborators, the only trade show for the building maintenance and sanitation industry in Quebec is finally back!*

More than ever Ecosalubrité 2016 is *the* destination for manufacturers, distributors, BSC's, facility managers, housekeeping personnel and the vast community of people involved with providing clean buildings through cleaning products and services. The event now reaches a broader community and promises not only a greater variety of exhibitors but a more diversified choice of seminars and a greater advertising reach of the event.

**NEW COLLABORATING PARTNERS :** CSSA is proud to announce its collaboration namely with

la **FÉDÉRATION DE L'INDUSTRIE DE LA RESTAURATION APRÈS SINISTRE, FIRAS**, ( Federation of Building Restoration Contractors) who will take this opportunity to host, in conjunction with Ecosalubrité, its own annual convention and exhibition. CSSA and FIRAS are jointly organizing many aspects of the Ecosalubrité trade show including the networking events.

**Coeffiscience**, dedicated to human resources development within the chemical industry sector, has joined CSSA as an Associate Member. In that capacity, **Coeffiscience** will host a training seminar catered to end users, exhibitors, and all organisations who wish to gain a better understanding of safety and regulations surrounding cleaning chemicals.

In order to offer training opportunity that better meet the needs of end users, CSSA is collaborating with specific end user groups namely the **ASSOCIATION FOR HYGIENE AND SANITATION IN THE HEALTH CARE SECTOR** and the **WINDOW WASHING GROUP OF SPECIALISED CONTRACTORS**.

**ÉCOSALUBRITÉ 2016, September 27, an industry event you will want to be part of !**

**[More details for the exhibitors in an upcoming communication.](#)**
