FALL 2015

News From the Manitoba | Saskatchewan Chapter of the Canadian Sanitation Supply Association

What's On....

Lunch & Learn Event

In May the Manitoba Chapter sponsored an informative presentation by Greg Dandewich, senior vice president of Economic Development Winnipeg. This was the first in what we plan to be a series of events that will both bring us together as an industry, and arm us to be stronger as business owners and managers. If you have a Learn topic that you think would be interesting, please contact us.

What happens in Vegas, turns into business!

The 2015 ISSA/INTERCLEAN® North America trade show will be taking place **Oct. 20 to 23, 2015**. If you are attending, we remind you that the annual **Canada Night** reception will take place on **Wed. Oct. 21**, at the Westgate Las Vegas (formerly the Hilton). You are also encouraged to support our Canadian exhibitors during your ISSA visit.

THANKS Joel!

Please join us for lunch followed by a special presentation to Mr. Graham. Additionally, there will be an opportunity to ask Mr. Graham questions about his history in the industry. Further details will follow.
