## Ontario Chapter Changes Venue for 2016 Annual Golf Tournament

The Ontario Chapter has announced that it will be changing venues for its very popular golf tournament in 2016.

After many years at the Richmond Hill Golf Club, the board felt that the time was right to look at some new courses that could offer the membership a new and different golf and networking experience. The board thanks the Richmond Hill Golf & Country Club for its many years of outstanding service.

The 2016 annual golf tournament will be held on **Monday June 13, 2016** at the very popular Lionhead Golf Club in Brampton, ON. The tournament will begin with lunch, followed by a shot gun start at 1:30 p.m., and dinner and prizes to follow. All are welcome to attend!

Lionhead has established a reputation for excellence. In the spring of 2014 a multi-million dollar renovation re-launched the magnificent clubhouse. Designed and groomed to excite every level of golfer, Lionhead offers one of Ontario's finest golf-

ing experiences on two championship courses. The first hole on the Legends course has a green complex shaped into a "lions paw" and its claws have tested golfers of all calibre from around the world, for the past 20 years. This is just the start of the famous Legends course that has a slope of 155, creating a golf experience that you will never forget. Mark your calendar for **June 13, 2016** as this promises to be a great day of golf and networking.
